## *About the 'Comets' Club*

The Comets Club International (CCI) was established in the Summer of 1991 in New York City as a division of the Montego Bay 'Comets' Athletics Club. The Montego Bay 'Comets' Athletics Club (MBCAC) was founded in October 1977, by a Science Teacher - Glen Brown and a group of student athletes at Cornwall College, Montego Bay. The group

included **Aubrey 'Lacy' Campbell**, Clement 'Tino' Bowen, Paul 'Fishy' East, and later on, Audrey Blake, Paul 'Pablo' Tomlinson, Barrington 'Boca' Campbell and Clive 'Cornbread' Walters.

The core mission of the club continues to be, to provide an avenue for student athletes to continue track & field athletics after graduating from the many high schools in Montego Bay in particular and western Jamaica in general. CCI depends on your support of events such as this one to fund its athletics development and scholarship programs.
